

Let's Move XL

Outdoor rollator

Black Art. No. LM201L

Grey Art. No. LM202L

Let's Move, stylish and innovative outdoor rollator from Trust Care. The rollator has a sturdy lightweight aluminum frame and whole rollator weighs only 11.9 lbs. With such low weight it is easy and pleasurable to use the rollator in any conditions. Of course it has an effective brake and parking brake that are easy to operate. A fabric bag is also available for Let's Move. The rollator is easy to fold and can stand by itself when folded. Folded width is only 8", such feature makes it easy to store or take it with you wherever you go. Let's Move has ergonomically designed rubber handles, adjustable from 31" to 37" in order to fit different users.

Let's Move is tested and approved according to ISO specifications for 286.5 lbs user weight.
